La Salle College Preparatory is a Roman Catholic educational community inspired by the traditions of Saint John Baptist de La Salle.

Our college preparatory program enables diverse and academically capable students to become extraordinary people.

**Distinguished by an insistence on educational excellence:**

We **nurture** the talents of each student. The uniqueness of each student's spiritual, intellectual, physical, and artistic potential is recognized and promoted.

We **inspire** in students a sense of responsibility for others. Motivated by a spirit of faith and zeal, our students are informed by and made responsible for the world in which they live.

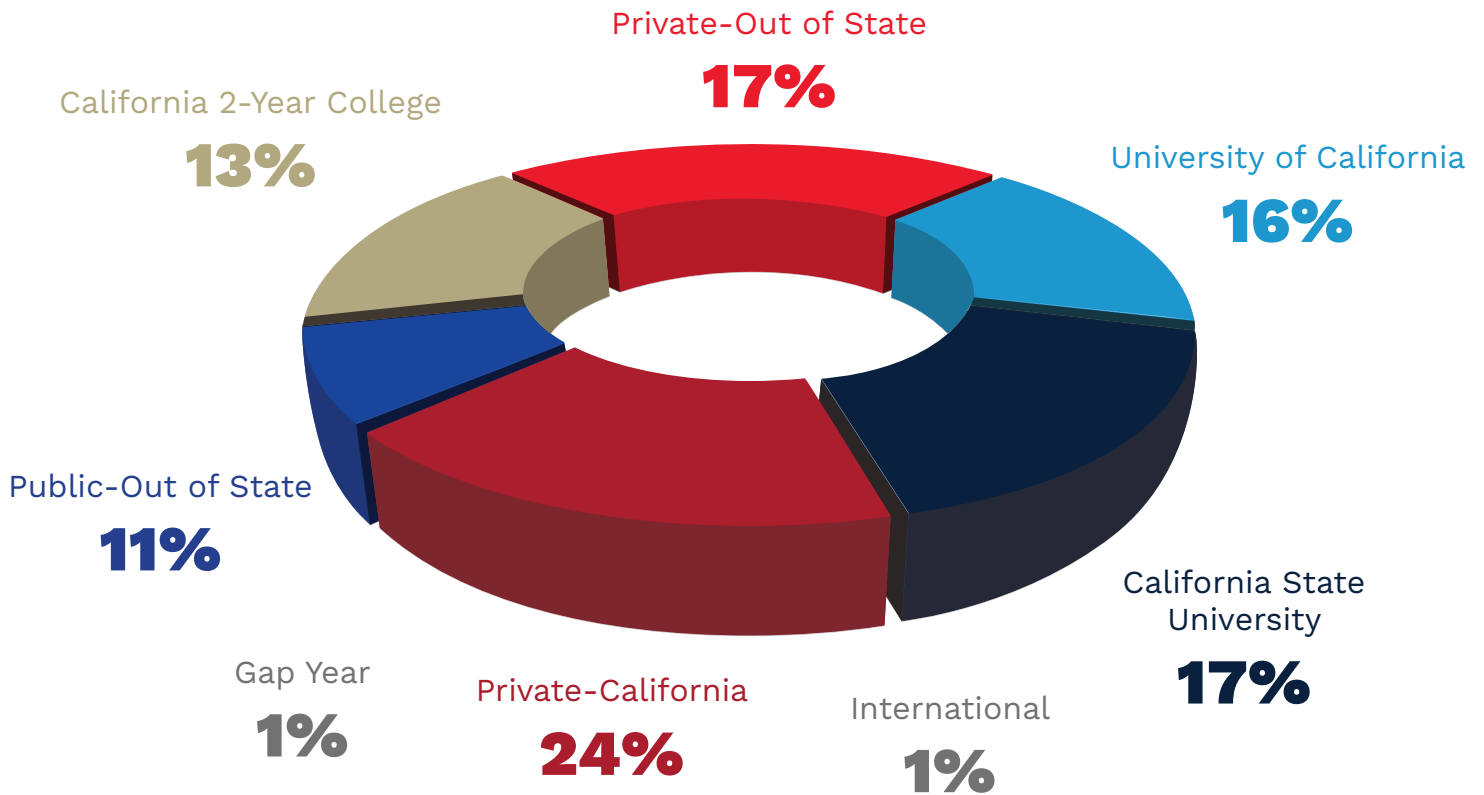

We **challenge** students to embrace diversity. Students are challenged to demonstrate respect and appreciation for people of different talents, cultures, religions, genders, and economic backgrounds.

We **motivate** our students to respond compassionately to the needs of others, especially the poor.

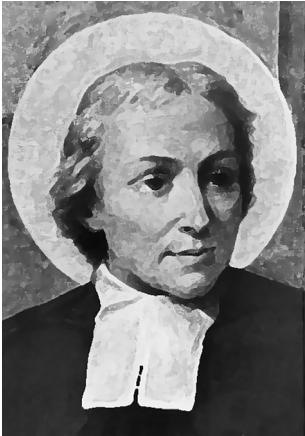

### Our Graduates Will Be Moving On To:

There are 134 students in the graduating class. Of those, 133 (99%) will attend four-year colleges and universities or two-year colleges. One student will be taking a gap year. The students attending four-year colleges (86%) will be spread over 21 states, the District of Columbia, and the United Kingdom. Students applied to an average of 10 schools. Of four-year colleges in California, 76 students (57% of the class) will attend 16 public colleges and 16 private colleges.

# Our Lasallian Heritage

La Salle College Preparatory was founded in 1956 at the request of the Archbishop of Los Angeles, who wanted a Catholic boys high school to serve the northern and eastern sections of the San Gabriel Valley. La Salle College Preparatory continues to function as a private Catholic, albeit now co-educational, high school. It is a Lasallian School—an educational institution that draws its philosophy and inspiration from the life of Saint John Baptist de La Salle (1651–1719), founder of the Brothers of the Christian Schools and patron saint of all teachers. The Christian Brothers, reputation for excellence in education extends back to the year 1680, and this month we commemorate the 300<sup>th</sup> anniversary of the death of this beloved saint.

Of particular importance is La Salle College Preparatory’s call to carry out the Mission established by its founder, Saint La Salle, “to give a human and Christian education to the young, especially the poor, according to the ministry which the Church has entrusted to the Christian Brothers.” Together we strive to understand and live by the five Lasallian Core Principles: Faith in the Presence of God, Concern for the Poor and Social Justice, Quality Education, Inclusive Community, and Respect for All Persons. Today, some 4,200 Christian Brothers and over 90,000 lay colleagues worldwide minister to nearly one million students in over 560 educational institutions in 81 countries on six continents. These schools serve nearly every ethnic group and religion around the world. In addition to providing strong academics, each Lasallian School also creates a community of persons deeply conscious of their responsibilities to each other, which is central to their success.
